All you need

d is Love

Babies born with Down Syndrome need the same love, care and stimulation as any other child

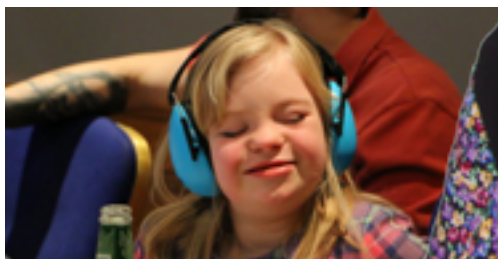

HDSSG is a volunteer led charity founded and run by parents of children with Down Syndrome. We believe it is crucial to celebrate our children's achievements, champion their views and aspirations, challenge out-dated thinking and issue current, accurate information about Down Syndrome.

lasting *friendships*

The majority of our children attend mainstream schools. They go to clubs that reflect their interests. All form lasting friendships
