There are over

30

families

of children with  
Down Syndrome  
in our area that  
we are aware of.

There are probably  
many more

You are not alone

Meet  
some of the  
fantastic

children and young  
adults born with  
Down Syndrome  
that are part of

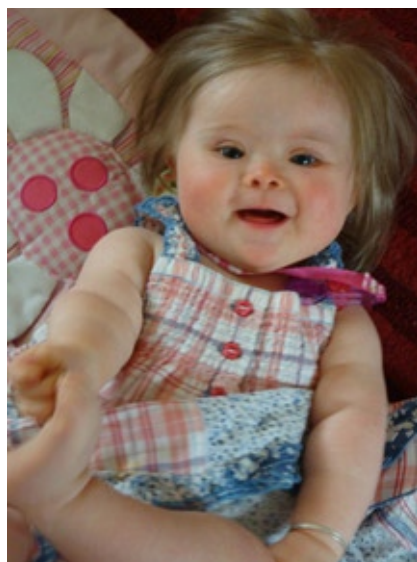

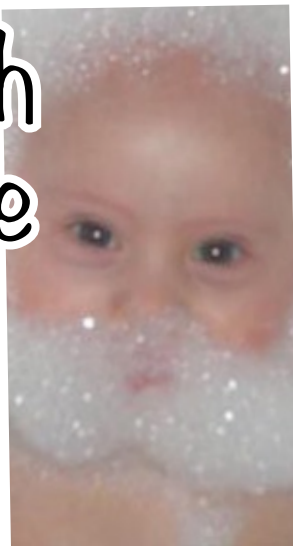

**HDSSG**

huddersfielddownsyndromesupportgroup

Babies born with  
Down Syndrome  
need the same

**love,**

care and stimulation  
as any other

The majority of  
our children attend  
mainstream schools.  
They go to clubs  
that reflect their

**interests**

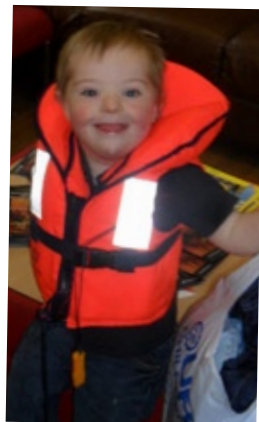

All form lasting  
friendships

Our children have the  
potential to achieve  
anything  
they want.  
The future  
today is

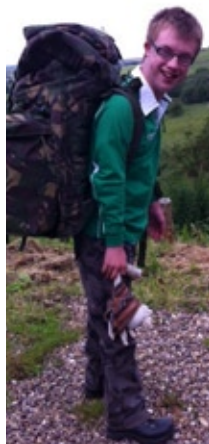

**brighter**

for a child with  
Down Syndrome  
than ever before
