The Examiner's Wish campaign means that £25,000 is up for grabs – and up to 150 not-for-profit local groups are set to benefit.

The Huddersfield Down Syndrome Support Group (HDSSG) is a local group run by parents of children with Down Syndrome and is a registered charity.

Thank you for your support!

Tokens will be printed in the Examiner every day from 1 October until 17 November. The £25,000 cash will be divided by the number of tokens collected – and the more tokens we collect, the more cash HDSSG receive! Please encourage your friends and family to save their tokens for you too!

Please either put your tokens in the envelope or give to your workplace volunteer who is:
